Co-funded by
the European Union

Funded by
the European Union
NextGenerationEU

The DIGIS3 initiative - DIGitalisation Smart, Sustainable and coheSive is configured as a **Digital Innovation Hub** to provide companies and public administration with access to the information, services and facilities they need to successfully address their digital transformation processes.

Specifically, we provide the following services:

Training and skills
development

Testing before
investing

Support to find
investments

Networking and
innovation ecosystems
